

TRAIN BENCH INFOSHEET

DESIGN STUDIO CASALA

TRAIN BENCH INFOSHEET

TRAIN BENCH INFOSHEET

Its name reveals the inspiration for this modular seating programme. With its variation in width and height, Train Bench can be assembled to everyone's wishes. The use of low and high backrests, whether or not combined, gives every public and open office space a playful and accessible character. Thanks to its active sitting position, Train Bench can easily be used for a variety of events such as dining, meetings, waiting and getting together.

NL

Zijn naam verklaart de inspiratie voor dit modulaire bankprogramma. Met zijn variatie in breedte en hoogte is Train Bench voor ieders wens samen te stellen. Het gebruik van lage en hoge rugleuningen, al dan niet gecombineerd, geeft iedere publieke en open office ruimte een speels en toegankelijk karakter. Door zijn actieve zithouding laat Train Bench zich met alle gemak inzetten voor uiteenlopende gelegenheden als dineren, vergaderen, wachten en ontmoeten.

DE

Sein Name verrät die Inspiration für dieses modulare Sofaprogramm. Train Bench ist in Breite und Höhe variabel und kann nach Belieben zusammengestellt werden. Die Verwendung von niedriger und hoher Rückenlehnen, ob kombiniert oder nicht, verleiht jedem öffentlichen oder Open Office-Umgebungen einen spielerischen und zugänglichen Charakter. Dank seiner aktiven Sitzposition, kann Train Bench problemlos für eine Vielzahl von Anlässen wie Essen, Besprechungen, in Wartebereichen oder für Meetings verwendet werden.

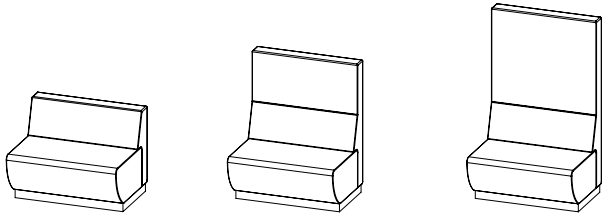

FR

Son nom laisse deviner la source d'inspiration de ce programme de banquette modulaire. Avec sa variante en largeur et en hauteur, le Train Bench peut être composé de façon à répondre à tous les souhaits. L'utilisation de dossiers bas et hauts, en combinaison ou non, confère à chaque espace public et open office un caractère ludique et accessible. Grâce à son assise active, le Train Bench peut s'utiliser en toute facilité pour une multitude d'occasions comme les dîners, les réunions, les attentes et les rencontres.

height 80 / 120 / 160
depth 75

CORNER

width 100cm
height 80 / 120 / 160
depth 75

casala®

UK

ELEMENT

Solid wooden seat element with steel no-sag suspension, equipped with high-quality HR Eco foam. A layer of Dacron is placed over the foam. This drastically reduces friction and wear of the fabric.

BASE

A black, wooden plinth, 38 mm high. Additional colours or HPL are optional.

UPHOLSTERY

Aside from the Casala upholstery, there is a wide fabric collection available from renowned manufacturers. Alternative upholstery on request. Optionally, it is possible not to have the back upholstered.

NL

ROMP

Massief houten frame met stalen nosag vering, voorzien van hoogwaardig HR Ecoschuim. Over het schuim wordt een laag Dacron aangebracht. Hierdoor wordt wrijving en slijtage van de stof drastisch gereduceerd.

ONDERSTEL

Zwarte, houten plint 38 mm hoog. Andere kleuren of HPL zijn optioneel.

STOFFERING

Naast de Casala stoffen is er een brede stoffencollectie beschikbaar van gerenommeerde fabrikanten. Overige stoffen op aanvraag. Optioneel is het mogelijk om de rugzijde niet te laten stofferen.

DE

POLSTERKÖRPER

Ausgestattet mit Massivholzrahmen, Nosag-Stahlfedern und hochwertigem HR Eco-Schaum. Zusätzlich wird eine Schicht Dacron über den HR Eco-Schaum gezogen. Hierdurch werden Reibung und Verschleiß des Stoffs drastisch reduziert.

GESTELL

Schwarzer Holzsockel, 38 mm hoch. Andere Farben oder HPL sind optional.

POLSTERBEZUG

Neben den Casala-Stoffen ist eine große Auswahl an Stoffen namhafter Hersteller verfügbar. Weitere Stoffe auf Anfrage. Optional ist es möglich, die Rückseite nicht polstern zu lassen.

FR

CARCASSE

Encadrement en bois massif avec ressorts Nosag en acier, pourvu de mousse Eco HR de haute qualité. Une couche de Dacron vient ensuite recouvrir la mousse. De ce fait, le frottement et l'usure du tissu sont sensiblement réduits.

EMBASE

Plinthe en bois noire, 38 mm de haut. Autres coloris ou HPL en option.

GARNISSAGE

Outre les tissus Casala, une vaste gamme de tissus de fabricants de renom est disponible. Autres tissus sur demande. En option, il est possible de ne pas garnir le dos.

The colours in this publication may differ to the original product. We recommend requesting a product sample. Sample service and further information:

GENERAL INFO

CASALA GUARANTY

Casala guarantees that delivered products retain their functional properties for a period of 5 years. The warranty period commences on the date of delivery and is not interrupted, impeded or renewed when a warranty service has been provided. We can handle complaints quickly when you send a clear description together with photos, the model number, the order number and the date of manufacture to Casala. You can find this information on the production sticker under the chair or table.

CASALA CERTIFICATION

Casala continually strives to reduce the environmental impact in the development of our products. During development, care is taken to make responsible use of raw materials and production techniques. For many years Casala has been working with dedicated suppliers and producers conformed to the ISO14001 standard. This standard is used worldwide to start and assess environmental management systems. In order to ensure wood and paper products originate from responsibly managed forest.

Thanks to the established quality requirements and control of production processes, Casala's project furniture guarantees excellent quality, long life and durability.

CASALA CIRCULAR ECONOMY

Casala realises it is responsible for the environment and the economic and social well-being of our world and considers it important to make a structural contribution. Our objective with regard to Circular Economy is simple: successful corporate social responsibility with focus on a sustainable world. During the design phase we determine the products and materials and examine their impact and behaviour in the product chain. These choices are the basis of adequate management of products and materials. For many years Casala has been working with raw materials that mainly originated in Western Europe. The required transport kilometers are thus kept to a minimum. This contributes to the lowest possible CO-2 emissions.

Chairs are frequently discarded after use and seen as waste. This is unnecessary, as the parts are often not at the end of their life cycle. Therefore Casala chooses to refurbish various items from our product range and offers CE guarantee on multiple programs.

When purchasing new furniture, you decide in consultation with Casala whether you want to make use of the CE guarantee. Casala CE comes with an official certificate. The moment you want to replace the furniture, you can return this CE certificate. Every CE-certified product will receive a cash refund, a nice start for the purchase of new furniture. This contributes to a more sustainable world, the foundation of Circular Economy. Result: a chair with the same quality and warranty conditions as a new chair.
